### Overall Strength and/or Weaknesses

**Disclaimer:** Comments on the strengths and/or weaknesses of each book, material or program were written by members of the State Textbook/Instructional Materials Review Team and reflect their opinions. They do not reflect the opinions of the State Textbook Commission nor the Kentucky Department of Education. In addition, the State Textbook/Instructional Materials Review Team completed each evaluation form during summer of 2005. In order to maintain the integrity of the review team's comments, editing was limited to spelling and punctuation.

Recommendations: This material is part of the Kaleidoscope level C intervention package. See that review for more information about the materials as part of a whole. The teacher's edition suggests students use the library books for independent reading. These are books typically used with younger students.
